**Hothfield Reservoir – works to spillway**

The Environment Agency gives notice that it proposes to carry out improvement works to the spillway at Hothfield Reservoir, Hothfield, Ashford (grid ref TQ97691 44473). Works will comprise spillway extension by about 30m and will take place in summer 2010.

The Environment Agency considers that these improvement works are not likely to have significant effects on the environment and does not intend to prepare an environmental statement in respect of them.

Any person wishing to make representations in relation to the likely environmental effects of the proposed improvement works should do so, in writing, to the address specified below, within 28 days of the date of publication of this notice.
