

ALLINGTON MILLENNIUM GREEN

The Annual General Meeting will be held at the Millennium Green on Thursday 29th July at 19:30. All local people are invited to attend.

The Trust, having obtained the preliminary approval of Natural England, wishes to replace the individuals who are presently trustees by a company limited by guarantee, which will become the sole trustee of the Trust. The present trustees will become the first directors of that company, and its first members. All inhabitants over 18 will be entitled to be members of the proposed company, and its memorandum and articles are intended to reproduce, in corporate form, all the advantages presently given to inhabitants by the present trust deed. The Chairman will propose this change at the meeting, and it will be effected by various documents, which can be inspected by prior arrangement, by telephoning 01622 756660. Names of the current trustees and full details of the agenda may also be obtained by telephoning this number.
